

EAGLE ONE CAMPAIGN

MISSION 1

Commence 10:00 - Duration Approx 60min

SITUATION

Intelligence sources reported movements of Russian troops in the nearby Maykop-Khanskaya Airbase about 70 kilometers from one of our airbases located in Sochi.

The latest satellite images showed ready-to-go Russian MiG-29 fighters currently deployed in this Airbase, to prevent any Russian moves, you have been authorized to destroy the aircraft present and eliminate any other threats in the area.

We also have fragmentary information regarding the defenses, but we are almost certain of the presence of SAMs in the area, some of our units are approaching the Enemy air base, you will have other information during the mission.

OPERATION

1. Eliminate SAM Threat near AB WP4
2. Enemy Airbase approx WP 5
3. Eliminate MiG-29 on enemy runway
4. Eliminate any enemy threats

The design of the missions are trigger based and so it is important that you follow the route and any instructions to realise all the content and pass the mission.
